

Prof. Dr. Dr. SRINIVAS GOSLA REDDY

MBBS, MDS, FDSRCS, FRCS, PhD

Prof. Reddy is the Founder of the GSR Institute of Craniofacial Surgery, Hyderabad, INDIA He holds the **Hermann Sailer Chair** at **Krishna Institute of Medical Sciences, Karad.**

GSR INSTITUTE OF CRANIOFACIAL SURGERY (GSRICFS)

The GSRICFS is a 50-bed hospital that exclusively caters to patients with cleft and craniofacial defects from around a 1,000-kilometer radius of Hyderabad, India.

The Hospital does free treatment for 1,500 patients with cleft and craniofacial defects every year. The Hospital has performed more than 30,000 free surgeries with financial help from Smile Train, a charitable organization from USA and Cleft Children International, a charitable organization from Zurich, Switzerland.

The GSRICFS runs a fellowship program to train Oral and Maxillofacial Surgeons in the field of cleft and craniofacial surgery. The Institute has trained more than 300 fellows since 2002. The Institute is also recognized by 16 Universities in India as a training institute for Post Graduate students in the field of cleft and craniofacial surgery as part of the Post Graduate training curriculum, and till today more than 1000 postgraduates are trained over the last 15 years.

The Institute is involved in a robust research program. The Institute in collaboration with University Medical Center, Radboud University has sponsored PhD programs on topics like Cleft Lip, Cleft Palate and Medicine, and running 8 PhD programs till date.

The parent body of the GSRICFS, the Hyderabad Cleft Society, runs a school for 100 underprivileged and orphaned children born with cleft and craniofacial defects. The school takes care of these children by providing them with tuition fees at a local school, free halls of residence and food.

EDUCATION:

Bachelor of Dental Surgery (1993): Gulbarga University, Gulbarga, Karnataka, India

Master of Dental Surgery (1996): Mangalore University, Mangalore, Karnataka, India

Bachelor of Medicine Bachelor of Surgery (2009): NTR University of Health Sciences,

Vijayawada, Andhra Pradesh, India

Doctor of Philosophy (2010):

Radboud University,

Nijmegen, The Netherlands

THESIS: Unilateral Complete Cleft Lip Repair: A Modern Morpho-functional Surgical Approach

Fellow of Dental Surgery (FDSRCS) 2011 : Royal College of Surgeons, Edinburgh

Fellow of Dental Surgery (FDSRCS) 2015 : Royal College of Surgeons, England

Fellow of Dental Surgery (FDSRPCS) 2019: Royal College of Physician and Surgeons, Glasgow

Fellow of Surgery (FRCS) 2020 : Royal College of Surgeons, Edinburgh
